### ***Golf Club Rebate Program***

An exclusive bonus offer, the "Club Rebate Program" has been developed to offer additional benefit directly to your Club.

## **How does it work?**

Upon joining the Drummond Club, each member will receive a member card that is printed with their member name, social/golf club name, membership number and expiry date on the card. Your club details and all associated members will be linked to an account in our RMS computer system.

For every dollar spent by your members at any Drummond Golf Osborne Park or Drummond Golf Cannington store, we will provide a rebate of the total sales in FREE PRODUCT\* for your Club. (NB: \*excludes golf balls and items on sale). This product can be used by your Club as promotional/event prizes, or raffle items to raise money for your club. At the end of each quarter a report will be provided to your Club on the total sales generated by your members and the applicable rebate available to your Club.

We are committed to supporting our local Golf Club partners and developing a strong and mutually beneficial partnership. Therefore, we seek your support in promoting the benefits of Drummond Club membership to your members and raising awareness of the additional benefits and fund raising opportunities available to your Club through participation in this exciting program.

We look forward to being of service to your Club and your members.
